Protect Your Home Against Break-Ins

Did you know...

- More than **85%** of break-ins are through a door, taking less than **10 seconds** to kick in.
- Alarms do not make it harder for a thief to actually break-in.
- Police response to alarms is often **20 minutes** or more an experienced thief is done in 5 minute.

At RMG, we offer these security services:

- Free security evaluations
- Secure doors on old & new homes
- Installation and repairs
- Assess entry prevention on all types of doors: sliding, French, etc
- Use the best and most innovative hardware from Armor Concepts
- Installed by a security specialist who is a skilled craftsman & former police detective/officer

Add to your overall safety with a door security system.
